

WILL OIL GO UP AGAIN SOON? HERE ARE PRICES SINCE YEAR 1920

Comparison of base prices paid for crude oil at the well in California, effective July 10, 1920; May 13, 1921; August 3, 1921; July 15, 1922; January 6, 1923; April 10, 1923; October 9, 1923, and January 22, 1924 (all prices per barrel):

Table with columns for Gravity, Year, and Price per barrel. Rows range from 14 to 35 gravity.

NOTE.—Prices effective April 10, 1923, originally applied to fields in Los Angeles and Orange counties, and prices in the San Joaquin fields remained as of January 6, 1923. On August 1, however, the prices of April 10 were made effective in all California fields.

P. O. TO SPEED DELIVERY OF NEWSPAPERS

Postmaster Gen'l New Order Better Service to Public

As a result of several months of investigation and study by experts of the postoffice department, Postmaster General New today issued the first definite, concise and complete program that has ever been put out by the department for the mailing, transmission and delivery of newspapers.

The essence of the order is that newspapers shall not be mixed with parcels post at any point in their dispatch from the publishers' offices until their delivery to the addressees.
